

FJ CLASS ITALIA

60° ITALIAN OPEN sailing week

23 – 29 August 2020 - Cecina

Party begins!

We have been competing for the title of Italian champion with our fantastic boats for 60 years. We can only be happy with the longevity and modernity of the FLYING JUNIOR project, and then let's celebrate this success together with a beautiful event that, as a corollary of the championship, will make us live beautiful days of sea and joy.

For you who want to defend the title;

for you who want to conquer it;

for you who want to get on the podium;

for you who want to be helmsman or crew of the year by winning the Ranking List;

for you who want to be in the top 12 to have a page on the calendar;

for you who are tired of the exasperated competitive spirit of the youth classes;
for you who just do better than last year;
for you who have won many races;
for you who never won;
for you who have managed the Class for many years;
for you who are now looking at your boat that you haven't been racing in a long time;
for you who have never raced and think you do not have a good boat;
for you who do not feel up to an Italian Championship;
for you who think you are too old now;
for you who don't have a crew;
for you who are looking for boarding;
for you, a foreign friend, who loves Italian sun and Mediterranean Sea;

for you..... We are organizing a beautiful event.

So, start preparing the sails sack, near put the guitar and all the desire you have to

"play with the wind by racing among friends"

The 60th will not be a Championship like any other, it will be our party!

A party that we will create all together.

We have established an Organizing Committee that has already been working for a few months in perfect agreement with the Nautical Club Foce Cecina and with the adjacent Camping Bocca di Cecina which will make available, at agreed prices, Bungalows, campsites for tents, campers and caravans , swimming pool, equipped beach, restaurant, market, and areas reserved for us for briefings, music and anything else we like. The campsites and bungalows are adjacent and will allow us to build our 60th Championship village near the boating base.
